RE: Letter of Recommendation

Dear Mr. Katwaroo:

Please be advised that Jet Aviation has just received the final approval for the hangar 122 exterior ladder project. The inspection officials have applauded the installation. It is a very safe and well built system. Your team was very responsive in reacting to our needs at Teterboro Airport. Their attention to safety in our aeronautical area was superb.

Thank you for a job well done.

Should you have any questions, please contact me at (201) 462-4016.

Best regards,

Stephen Mosca
